To whom so ever It May concern

This is to inform that, Bapuji Rural Enlightenment and Development Society (BREDS) is an NGO with good values and credibility .BREDS is carrying out various activities for the vulnerable communities in north Andhra districts especially in Srikakulam,Vizianagaram districts and urban area of GVMC, Visakhapatnam.BREDS has experience of working with national and international agencies .BRED is long standing partner of NABARD, working since 20 years. BREDS is offering support as district support agency of Srikakulam for APIIATP (World Bank funded) and APILIP-II (JICA funded) project of Government Andhra Pradesh . And also BREDS is the nodal agency for Child Line Project (GoI) in Srikakulam district .BREDS is working in collaboration with Tribal framers, vulnerable women and Children and informal workers .BREDS has very good track record of making commendable contribution to the well being of poor and marginalized.BREDS has the operational capacity and expertise in taking up projects in the areas of Institution building ,sustainable livelihoods ,Enterprise development ,Natural resource management ,Agriculture ,Women empowerment ,Issues of Children ,Skill Development and Disaster risk reduction and rehabilitation projects .

I personally know the organization for its long standing services in Andhra Pradesh and wish that they continue their good work for the years to come.

In view of the above BREDS organization may be given opportunity to serve the people in Vizianagaram and Srikakulam districts as implementing agency for development projects which they are very much eligible and deserve.

Wish them all success.
